Theodore:Art is pleased to present ICYMI, an exhibition highlighting five artists that have exhibited in the gallery over the past six years.

The gallery opened at 56 Bogart Street in January 2012. The world, the economy, the art world, the neighborhood, all have undergone so much change. When we opened, I had modest expectations. I had no idea that six years later I would not just survive but thrive and grow. All credit is due to the artists with whom I collaborated -- intelligent, patient, diligent, and committed visionaries.

I have heard many people say that visiting Bushwick is not so convenient. Ergo, this show is intended as an encore, to give visitors both frequent and occasional the opportunity to see what they might have missed. The works herein include both new unseen work and pieces exhibited in earlier shows.

IN CASE YOU MISSED IT.

In gratitude and in hope, we persist.

See you in Bushwick.
